The News in Brief

CLEANER STREETS—For some months it has been noted that Solano Ave. has been littered with an excessive amount of empty cartons, newspapers and refuse thrown into the street by passing motorists and pedestrians. City Health Officer Dr. Robert T. McMahon recommended to the City Council Monday night that the situation could be eliminated by placing well placed refuse cans every two or three blocks along Solano Ave., and along San Pablo Ave. No doubt the problem would solve itself if, we the public, would be a little more careful in discarding our daily and holiday wrappers, grocery second class mail and numerous other things we wouldn't throw out front yard.

CAPTURED—A young possum, Friday night crossing Solano Ave., was captured by a patrolman. A trio of Palm Garden celebrants thought it was "just a big rat."

IONS' PROJECT—About three years ago the Albany Lions Club purchased a ceiling projector to the Albany Library to be used by Albany children confined to bed. The device projects films of books upon the ceiling and can be operated by a person in bed, was quite popular until the few books presented with the machine were read by the children. The Lions have decided to purchase more books and motivate interest in the program. Mr. Stryker is heading up the project and has already consulted with local librarians to see what new books might be wanted.

KEY STRIKE—Councilwoman Kathie Zahn, one of Key System's best customers when the bus was running, says that she is doing most of her current time to ending the strike. She is Albany's woman on the Key System Investigating Committee, composed of representatives from 11 East Bay cities. Mrs. Zahn said that she attended two meetings a couple of weeks ago, five meetings last week and three this week in Oakland in effort to find a solution for the strike.

WOUNDED—Cpl. Art Smith, 22, of Albany was seriously wounded in action during the closing days of the Korean War, according to the Department of Defense. The soldier's aunt, Mrs. Annie W. Smith, 1020 Wilson St., said she has been informed that he suffered wounds of the back, face and legs and lost an eye. "I am doing fine," she wrote his aunt from the front.

THE ALBANY Eagle Ladies' Auxiliary will meet at 8 p.m. Tuesday in the social hall of the Albany Community Church, Marin and Stannage Aves. President Elvina McDougall will preside.

VISITS SOLDIER—Mrs. Erma Hanna, of 1226 Garfield Ave., mother of Robert D. Hanna, and his fiancée, Miss Rita Jeffries of 1151 Garfield Ave., recently returned from a visit with Robert at Cheyenne, Wyo., where he is stationed at the Warren Air Force Base. Bob is a graduate of Albany High School and was employed by Cutter Laboratories prior to his entering the Air Force in December 1952. He received his basic training at Camp Parks, near Pleasanton, and is now attending advanced training in Wyoming. He expects to be home on a two weeks' leave during October.

CHURCH MEET—John Foster of 1076 Neilson St., is one of 200 delegates attending the annual meeting of the National Conference of Methodist Youth opening today at Kansas City, Mo. He will represent the Wesley Fellowship Conference of Albany Community Methodist Church.

RUMMAGE SALE—The sewing circle of Thousand Oaks OES is holding its annual rummage sale today and Saturday at 1724 San Pablo Ave., Berkeley, it was announced by Mabel Markert, president. Mrs. Hazel Beemer is chairman.

RECEIVES AWARD—Lt. Col. Samuel R. Dows, of 630 Curtis St., is presented with a Certificate of Achievement by Major General C. E. Ryan, division and post commander, for outstanding service during his tour of duty at Ft. Dix, N. J. The colonel served as commanding officer of the 364th Regiment of the 9th Infantry Division and later became assistant chief of staff, G-4 (logistics). The Albany officer's new assignment is at Sixth Army Headquarters in San Francisco.

American Legion to Elect Top Brass, Other Officers

Members of Albany Post No. 292, American Legion will elect new officers to serve for the ensuing year at a meeting set for 8 o'clock tonight at the Veterans Memorial Building.

Several candidates have been nominated for the various posts and nominations will be received from the floor before voting tonight.

Candidates with their hats in the arena are George Mack Jr., commander; Gilson Talmadge, first vice-commander; Gilbert Sutherland, second vice-commander; Donald Karns and Charles Lindh, adjutant; Lawrence Finigan, finance officer; Irving Jones and Jack Hamilton, chaplain; and Ralph Buckwalter and Albert Dait, sergeant-at-arms.

Other nominations include Carry Canaday, historian; Howard Hill and Arthur Carlson, service officer; and Donald Karns and Richard McAllister, special duty officer.

Six members for the board of directors will be elected from a list of candidates that include Jerry Hall, L. C. Humphrey, Le Roy W. Holland, Ralph Buckwalter, Jack Hamilton, Carl Waters, Donald Karns, Richard Lynch, Stanley Edwards and William Price.

Installation of the new officers is planned for Monday evening, August 31 at the Memorial Building.

Because of its outstanding showing at the Legion State Convention at Long Beach recently, the Post's uniformed color guard has received invitations to appear in several coming events. Among them are installation of officers of Oakland Post No. 5, installation of 10th District Officers, September 16, American Legion Day at the State Fair on September 13, and the Berkeley Football Festival Parade on September 18.

The guard is managed by Le Roy Holland with Richard Lynch and Gilson Talmadge as drill masters. The guard includes Jack Purcell, L. C. Humphrey, Gilbert Sutherland and George Mack Jr.

Brother of Albany in POW Group

An Albany woman learned this week that her brother has just been released from a Chinese prison camp and that he may be home within the next three weeks.

Rejoicing over the good news is Mrs. William Wignmore, of 624 San Carlos Ave., whose brother, Corp. Joseph E. Ford of Rutherfordton, N. C., was captured at Wongju on February 13, 1951, while serving with the Second Division of the U.S. Army.

Mrs. Wignmore first learned of her brother's release from her husband, a bakery truck driver, who was en route to work when he noticed Corp. Ford's name among the released prisoners' list. Mrs. Wignmore immediately telephoned her mother, Mrs. Noah E. Ford in North Carolina, who confirmed the good news.

The Albany woman has not seen her brother since moving to Albany nine years ago. Then he was a "handsome redhead 9 years old."

Mrs. Wignmore said that her brother enlisted at the age of 18 and for many months he was reported "missing in action" before the family learned he was a prisoner.

In addition to Mr. and Mrs. Wignmore, Joe's local welcoming committee will include a nephew and three nieces he's never seen before: Billy, 8; Linda, 6; Patricia, 4, and Debra, 2.

Methodists to Hear Religious Educator

Dr. Edward Blakeman will be guest speaker at the 11 a.m. service Sunday at Albany Community Methodist Church, Marin and Stannage Aves. He is a well known Berkeley personality, having served for many years as professor of religion at Pacific School of Religion. Previously he served as pastor of the Methodist Church at the University of Michigan.

Dr. Blakeman will conduct the morning service in the absence of Rev. Douglas Henderson, pastor, who will be serving on the teaching staff of the Methodist Youth Camp near Santa Cruz for the coming week.

Baptist Speaker

Claes V. S. Wyckoff, Christian businessman of Berkeley and San Francisco will be the guest speaker at the 11 a.m. service Sunday at the First Baptist Church, 1319 Solano Ave.

C. P. Earl, Christian businessman of Berkeley will speak at the 7:30 p.m. service. Mrs. Lucina Wyckoff will be soloist.

East Shore Freeway Plan Stirs Council

'City Missed Boat Several Years Ago'

Albany has until August 31 to protest the proposed plans for development of the new East Shore Freeway—which calls for three cloverleaf traffic interchanges for Berkeley and none for Albany.

Albany will be using the existing "traffic hazard" approaches for the next few years unless drastic action is taken before the quickly approaching deadline.

This was the warning issued by Councilwoman Mrs. Kathie Zahn Monday night, who informed the City Council of a letter from the State Highway Commission which restated and redefined the Commission's policy relating to procedure for relocating freeways.

Mrs. Zahn pointed out that the letter, signed by G. N. Cook, secretary of the Commission, included a resolution adopted by that group on July 23, informing Albany of the new policy. The letter also stated that if any city legislative body wanted to be heard on the proposed plans for freeway development, it would have to request such a meeting before a stated date.

August 31 is the deadline set for a public hearing for Albany and if no action is taken by the city the State will proceed with present plans for the freeway.

Mrs. Zahn charged that plans for the new freeway were drawn up in 1948, at which time Berkeley was given access streets at Ashby and University Aves. and Gilman St.

"The City Council of 1948 was quite evidently asleep when the matter of freeways was presented," she added.

City Engineer H. M. McLaughlin said later that according to information he has received from the Division of Highways it appears rather doubtful that Albany will be connected to the freeway any differently than existing approaches.

"We missed the boat years ago," he said. "The only hope, and it is the slimmest possibility, would come if the Gilman St. access was dropped."

McLaughlin said that he and some of the Councilmen met with A. E. Simmons, assistant district engineer for design with the State Division of Highways on August 4, at which time Simmons pointed out that freeway plans were well developed and that bids were to be called for the work from Ashby Ave. to the Albany overpass within 60 days.

Simmons reportedly told the city engineer that it would be impossible to have cloverleaf interchanges at both Gilman and Buchanan Sts. because a 3000-foot distance would be necessary between each cloverleaf. There is less than 2000 feet between the two streets, he said.

"The serious situation," as termed by Mayor Lewis Howell, was held over one week to get an opinion from the city engineer.

In other action, the Council is considering an amendment to the city business license ordinance that calls for a \$5 yearly fee for anyone peddling wares within the city limits.

Mayor Howell charged that peddlers are running competition with the city's businessmen, who are required to pay a business license fee. "It is only fair that door-to-door salespeople should be charged, too," he added.

The Council authorized the Fire Department to purchase a \$7000 four-circuit fire alarm board to replace the present over-loaded two-circuit board.

HARD TIME is the theme of the August dance of the Folk Dancers' Guild, to be held at 8 p.m. Saturday at Richmond's Alvarado Park. Favorite dances for all will be included on the program, and everyone is invited to attend and bring their own food. Coffee and doughnuts will be served.

Albany Schools to Introduce New Teacher-to-Parent Report Cards

A new and direct teacher-to-parent report card system will be used in the Albany Schools this coming year. Stressing parent conferences as a major method of reporting pupil progress, this plan was recently adopted by the Albany Board of Education after a large committee of parents and teachers had studied the proposal for several months.

The new system, which is based on the contention that the persons most vitally concerned are the child's parents, his teacher and the child himself, calls for a minimum of two parent-teacher conferences during the coming school year in the elementary grades and facilitates similar conferences at the high school level.

The committee pointed out that during a 20-minute conference between 2000 and 3000 words could be exchanged. Conventional report cards are a one-way method of communication and do not give reasons for lack of pupil progress, thereby creating tensions and misunderstanding between school and home.

This plan will virtually eliminate the typical report card in the primary grades. In the kindergarten and in grades one and two conferences will be held with parents during the middle of each semester. In the middle elementary grades, three through seven, these conferences will be supplemented by report cards which emphasize pupil progress in terms of effort and ability. Time for these conferences will be provided by closing the elementary schools approximately one hour early on those days when conferences are scheduled. Parents will receive advance notification of these scheduled conferences.

At the high school level, report cards will be sent home twice a semester, but provision is made for either the teacher or the parent to arrange for a conference concerning the student's progress.

At any time notice may be sent home when high school students fall substantially below their level of work.

After the opening of school this fall all parents of children in the Albany elementary schools will receive a pamphlet giving detailed information concerning this new reporting procedure.

Methodist Men Form New Club
A new organization of Methodist Men in Albany Community Methodist Church, Marin and Stannage Aves., has been chartered by Methodism's General Board of Lay Activities in Chicago.

Dr. Robert Feeney is the new president of the local group which will meet the first Tuesday evening of the month.

The club is one of 6000 Methodist Men organizations out of a total goal of 10,000 clubs which the board plans to charter by 1956. It is estimated that 2,000,000 in the Methodist Church are prospective members of the clubs, according to Robert G. Mayfield, executive secretary of the board.

"We seek to mobilize through Methodist Men the tremendous power and enthusiasm of the men of the church," he said. "Our purpose is to give strength to the program of Christ and His Church through consecrated service of men in every local church of Methodism."

Among his awards are the World War I Victory Medal, Mexican Border Medal, American Defense Medal, American Campaign Medal, World War II Victory Medal and Army of Occupation Medal (Japan).

The Colonel received a Bachelor of Science degree at Stanford University, and his wife is the former Rita Bowers of Albany. They have three children.

HEALTH and SCIENCE

Goodbye to Athlete's Foot

For many, the fun of swimming is marred by worries about athlete's foot. Small wonder, since for years millions of people have been trying out different remedies with only limited success.

A dramatic clue to solving the problem came from the South Pacific during World War II. Soldiers developed severe fungus infections. Grotesque growths even came out of their ears!

Experts in the armed forces launched an all-out attack on this "jungle rot" and learned much about fungi they didn't know before. After the war, other scientists noted that athlete's foot is not just one disease but many. It can be caused by any of several fungi. Even bacteria can complicate it.

More than 100 chemicals and combinations were tried in the search for something that would be effective against as many of these enemies as possible. The Journal of the National Association of Chiropractors has published a report on a clinical study of the most promising of these preparations. It is a solution, NP-27. This number refers to the low surface tension which is considered ideal because the liquid can penetrate beyond the surface of the skin into the crevices and in and around the nails. This is tremendously important since in athlete's foot many substances can not penetrate the many cracks in the skin.

Twelve leading chiropractors from New York, Washington and Philadelphia conducted this study and concluded that NP-27 is an "effective, rapidly acting, relatively non-irritating medicament in the treatment of athlete's foot." They also reported marked improvement or complete cures in 94% of the cases treated.

ALBANY BOWLING NEWS
By FRANK LACY

Last year when Russ Gray fired his prodigious 1389 score, he still had to lose first place to Ken Bailor of San Francisco, who won with 1390. Walt Miranda of Berkeley had to be satisfied with third place with 1388.

This year, in Albany Bowl's fourth annual anniversary singles classic, after three weeks of pin smashing, the high score is just 1262—shot Sunday by Vern Tilley of Oakland.

Vern, a 163 average bowler, shot consecutive games of 156, 193, 198, 193, 192 and 182 for a total scratch of 1114, plus his 148-pin handicap which gave him the 1262 total. This is 138 pins lower than last year's higher flight scores.

J. L. Hildebrand of San Francisco took over second place, with 1240. Walter Klinow of San Lorenzo is third with 1239. William Carison, also of San Lorenzo is fourth with 1232. Jimmie Lee of Oakland fifth with 1230. Bob Tamka of San Jose holds down sixth place with 1226, and Jack Betts of Vallejo is seventh with 1213.

Last year it took 1213 to get into the money. While not in the habit of looking gift horses in the mouth, Proprietor Frank Lacy is going around with a broad grin, for the rush of entries for the last three weeks of the tournament is on because of these low scores.

There are still a few spots open for the last three weeks, but Labor Day is still open, and reservations

ALBANY TIMES • • • 2 Friday, August 21, 1953

for spots or squads on that day are still available. The guaranteed prize fund of \$1500 will probably be more than doubled because of these low scores, in a house that has long been noted as "one of the highest scoring houses in California."

TV NEWS
By MILT BLANCHARD

For some reason that escapes us, each of our TV news items for today seems to have something to do with money. For instance, there's news that Ed Gardner, for years the star of the Duffy's Tavern program on radio, has signed a three-year contract for a video show based on the old radio favorite. The budget is set at \$45,000 for each filmed program... with 39 a year... making a grand total of \$5,265,000 for the 117 films!!!

A lot of his fans don't realize it, but Jack Benny can really play the violin. He studied for three years under Yale's great violin professor, Hugo Kortschak. And, although Jack gave up his dreams of being a concert violinist when he took to comedy on the stage, he still practices in his leisure time... on an \$1800 French Vuillaume! That's expensive practice on any fiddle!

To show you that the money Ed Gardner is getting for his TV films isn't unusual these days of high costs, there's the report on the new Ray Bolger variety show (he's the famous Broadway dancer and comedian). It has a budget of \$42,500 per show. There's a lot of money invested in television's future. This investment is made for your enjoyment. When your set needs service, be sure you get the best repairs possible by qualified technicians. You can depend on the factory-trained servicemen at SKIP'S RADIO & TELEVISION SERVICE, 1553 Solano Avenue. Phone Landscape 5-4313.

Lakoya Council Sets Committees

Mrs. Edith Caswell, newly installed Pocahontas of Lakoya Council No. 218 in El Cerrito, has announced the following committee appointments for the coming year.

Ways and means—Mary Buchfeld, Marjorie Klarmann, Vincent Scanlon, Juanita Wells, Peggy Pyle and Millie Merford; Finance—Eileen Hunter, Gordon Coles and Kathryn Niemier; Americanism—Gena Chute; Publicity—Charlotte Brown; Scrap Book—Marion Irwin; Flowers and Gifts—Edna Lax; Welfare—Gladys Dolan, and Pal Club, Eileen Hunter.

Other appointments include Stok Committee—Helen Gleason, Mary Buchfeld, Eileen Hunter and Edith Caswell; Prayer for Peace—Eileen Hunter; Delinquent—Helen Gleason, Thelma Lewis and Gordon Coles; By-Laws—Marguerite Yerxa; Custodian—Jennie Wilson; Drill Captain—Vincent Scanlon; Rummage—Helen Gleason, and Hostess—Violet Varallo.

Five delegates attended the Great Sun Session of the Reservation of California this week in San Jose. They were Eileen Hunter, Mary Buchfeld, Edna Lax, Gordon Coles and Marguerite Yerxa.

Eileen Hunter, past Pocahontas of Lakoya Council, was initiated into the past Pocahontas and Powhatan Association of the Reservation of California in San Francisco Monday evening. Members present at the initiation were Edna Lax, Gordon Coles, Mary Buchfeld and Vera Alvarez.

'Movie Preview' Is Theme of Rainbow Girl Fashion Show

A movie-preview atmosphere has been chosen for "Fall Preview Party," the third annual fashion show of Thousand Oaks Assembly Number 33, Order of the Rainbow for Girls.

The show, which will feature fashions from the Rose de Derian Shop, 1463 University Avenue, Berkeley, will be held at the Thousand Oaks Masonic Temple, Colusa and Catalina Avenues, Berkeley, on August 27, from two to four in the afternoon. Refreshments will be served following the show.

Proceeds will be used to help support a blind baby.

Nancy Seavey will be the commentator, and music will be provided by Merilee Gibson. Those modeling will include: Marcia Berthelsen, Noel Clements, Barbara Evans, Eleanor Hammon, Lynn Hoff, Aileen Kahre, Pam Leach, Barbara Pierson, June Spenger, Janet Tait, Mary Tuemmler, and Judy Vollmar.

Tickets are one dollar and may be purchased at the door.

Albany OES to See Blind Thespians

Albany Chapter No. 550, OES will hold a stated meeting at 8 o'clock tonight at the Maccabee Hall, during which a one-act play will be presented.

The play will be presented by four members of the "Lamplighters," a dramatic group of the Eastbay Center for the Blind in Oakland, according to Ethel Rudesill, entertainment chairman.

The cast includes Kathryn Wheeler, Edna Mae Fleischer, Ada Carey and Pearl King.

When we came West, we discovered . . .
Gas and electricity are cheap in California
says Mrs. Joseph E. Shipsey, of Chico, shown with her sons, Jimmy and Eddie

How P. G. and E.'s low rates save the Shipseys money
Here are the appliances that make the Shipseys' attractive Chico home even more enjoyable:

One of the first things that impressed Mr. and Mrs. Shipsey when they moved to California in 1950 was that gas and electricity cost far less here than in their former home. The Shipseys can also measure this bargain in another way: P. G. and E.'s combined rates are actually lower now than in 1938. So let low-cost gas and electricity do more of your work . . . give you added leisure.

The Shipseys' P. G. and E. bill (recent month) . . . \$8.48
In their former home, the same amount of electricity and gas would cost . . . \$16.03

This is a True Case History
**I SAVED
\$116.86
ON THE CAR
I BOUGHT**

"I made over a 90% down payment
on a late-model car. I was told it
would cost me \$287.50 to insure the
car and finance the balance of
\$7900.00. Lucky for me I talked to
a State Farm agent first, because I
used the Bank Plan instead and
paid no insurance and financing
charge of only \$140.74. I saved
\$116.86." (One of many actual cases.)

**Many People Assume
Finance Rates Are Standard
THEY ARE NOT!**

The Bank Plan offers you two proven money-
saving methods. Low-cost financing through a
nearby bank and low-cost preferred-risk insur-
ance rates. Get your own car. You can take calls
anywhere in the house! This convenience costs
just a few pennies a day. And extensions are now
available everywhere because they require no
outside cables, wires, or central office facilities.

**How to reach the phone
before it stops ringing**
the phone. And before you can get to it from another part
of the house, it stops ringing. But—with a handy extension
telephone, you can take calls anywhere in the house!
This convenience costs just a few pennies a day. And
extensions are now available everywhere because they
require no outside cables, wires, or central office
facilities. For complete details about a new extension in
your home... call your Pacific Telephone business

in an emergency...
your party-line neighbor may cut in
on your telephone conversation and
ask you to release the line. He'll
surely appreciate it if you allow him
to use the phone. And you may
need the same courtesy in an
emergency of your own.

Pacific Telephone

It's certainly plain to see...
**Chevrolet trucks
must be the best buy!**

This year again—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. It's plain to see that Chevrolet trucks out-sell all others because they out-value all others!

**For the best buy
—buy now!**

HEAR UP-TO-THE-MINUTE NEWS AROUND THE CLOCK
Every Saturday and Sunday • ABC Radio Network

When truck users show a continued preference for one
particular make of truck, you can be sure that preference
is based on a single sound reason: *It's the best buy!*
Year after year, truck users in every field show a
clear-cut preference for Chevrolet trucks by buying more of them than any
other make.
Why not drop in and see why so many more truck buyers choose
Chevrolet? You'll find, as they have, that Chevrolet trucks offer more of the
features and advantages you want... more solid value in every way...
yet it's the lowest-priced truck line of all!
